HON. GEORGE WILLIAM DIXON

President and treasurer of the Arthur Dixon Transfer and Forward Company. One of the directors of the Chicago Trust and Savings Bank; also one of the directors of the Baltimore and Ohio Railroad Company and the Grand Trunk and Great Western Railroad Company; who would make a tip-top candidate for State Treasurer of Illinois this coming fall or for Mayor of Chicago in 1919.

Hon. George William Dixon, president and treasurer of the Arthur Dixon Transfer and Forwarding Co., 425 S. Wells street, which is by far the most extensive transfer company in any part of this country, was born in this city, September 16, 1866. He is one of the highly honored sons of the late Arthur and Mrs. Annie (Carson) Dixon.

His earlier education was drank in, in the public schools of this city; later on

receiving his A. B. from the Northwestern University in 1889 and his LL. B. in 1892. He was happily united in marriage to Miss Marion E. Martin, 1903, who comes from one of the millionaire families of this city and Mr. and Mrs. Dixon are the extremely proud parents of two bright and highly interesting children, Miss Marion and George W. Dixon, Jr., and they reside in a beautiful home at 2706 S. Michigan avenue

HON. JOHN TOMAN

ONE OF THE MOST POPULAR MEMBERS OF THE CITY COUNCIL, WHO WILL BE RETURNED TO THAT BODY FROM THE 3TH WARD

and maintain a lovely summer home at Oceanomowoc, Wis.

Shortly after emerging from college, Mr. Dixon successfully engaged in the practice of law for five years; during most of that time he served as receiver for many large corporations. His father, Arthur Dixon, the founder of the Dixon family in Chicago and for many years one of its foremost citizens, solid and substantial business men, decided to relinquish some of his labors or duties in connection with the Arthur Dixon Transfer Co. Then it devolved upon the subject of this sketch to discharge the duties of vice-president and treasurer and at the death of his father, only a few months ago, he became president and treasurer of the Arthur Dixon Transfer Co. He also succeeded his father as one of the directors of the Baltimore and Ohio Railroad Company and as one of the directors of the Grand Trunk Western Railway Company.

Mr. Dixon is also one of the directors of the Chicago Savings Bank and Trust Company and the Security Life Insurance Company of America. He served with distinction as State Senator from the first Senatorial district of Illinois from 1903 to 1907. He served on the staff of Governor Richard Yates, with the rank of Colonel. He was one of the active members on the committee on arrangements for the Republican National Convention which was held in Chicago in 1908. He was a presidential elector and chairman of the Electoral College of Illinois in 1908. He was a conspicuous member of the Chicago Charter Convention, member of the Chicago Plan Commission, treasurer Public Safety Commission, member of Citizens Traffic Commission, trustee of the Wesley Memorial Hospital. He has steadfastly served as superintendent of the Sunday school of the First M. E. Church of Chicago since 1896. He was president of the Chicago Methodist Social Union in 1901-1902, president Chicago Home Missionary and Church. Ex-

tension Society, member of the Central Howard Association World in Chicago.

He is a prominent member of the Hamilton Club, being elected president in 1909 and during his administration President William Howard Taft was twice highly entertained as the honored guest of that club. He is a member of the Union League, vice-president in 1914, University, Chicago City and Chicago Athletic. He is a prominent Mason (32°), Knight Templar and Shriner.

On last Sunday afternoon, Mr. Dixon delivered a short practical talk to the members and friends of the Phyllis Wheatly Home, at the home, 3256 Rhodes avenue, and he was heartily received by those who sat under the sound of his voice.

It will be recalled that in November, 1906, that this paper, almost single handed and alone, made its memorable fight against permitting United States Senator Benjamin R. Tillman, of South Carolina, to advocate mob and lynch law and the shotgun policy for the Negro, while lecturing in Orchestra Hall for the benefit of the Union Hospital, that Mrs. George W. Dixon was one of the patronesses of that affair; that prior to that event she had liberally contributed money towards the support of the Union Hospital, that when she had learned that Senator Tillman intended to vilify and abuse the Colored people during the delivery of his so-called lecture on the "Annexation of Cuba," Mrs. Dixon without consulting her husband, promptly declined to serve as one of the patronesses and withdrew all of her support away from the Union Hospital, stating that she was not in favor of aiding any public institution whose management procured men like Senator Tillman to come to this city for the purpose of stirring up race strife and abusing any race of people.

From that day to this, Mr. and Mrs. George W. Dixon, have stood very high in the estimation of all the Colored people residing in Chicago.

HON. GUY GUERNSEY

Hon. Guy Guernsey, Republican candidate for alderman of the Seventh Ward, was born in Terre Haute, Ind., January 11, 1872. His father dying when he was seven years old, he was taken by his mother to Iowa, where he was reared, receiving his education in the public schools and Iowa College, Grinnell, Iowa.

He studied law in the Chicago Kent College of Law, receiving his degree in 1904. He was admitted to the bar and became secretary of the Chicago Kent College of Law (a position which he still holds) in the same year. Mr. Guernsey has served as president of the Hamilton Club, and as president of the Hawkeye Fellowship Club, and is a member of the Indiana Society. He is Past Commander of Camp 1001, Sons of Veterans, a member of the Illinois Bar Association, an active member of the Chicago Bar Association, and a member of the Elks, the Shrine, the Eastern Star, the Knights of Pythias and the Royal Arcanum.

He has always been prominent in movements for public betterment. He was instrumental in bringing to Chicago its first fish exhibit, which was displayed at the Art Institute, and called together the meeting which resulted in the formation of a public committee which has made it certain that in the near future Chicago will have on its lake front one of the finest aquaria in the world. Last October he was vice-chairman in charge of the Y. M. C. A. drive for the Hyde Park department, during which 700 new members were added in ten days. In December he was vice-chairman for the Seventh Ward in the Red Cross drive.

Mr. Guernsey's best friends are those who have known him longest; his staunchest admirers, those who have seen him in action most frequently.

While some of Mr. Guernsey's most valued services to the community have been rendered in his capacity of a representative private citizen, he has had a considerable and distinguished experience in public life to which the directors of his present aldermanic campaign take pride in calling the attention of Seventh Ward voters.

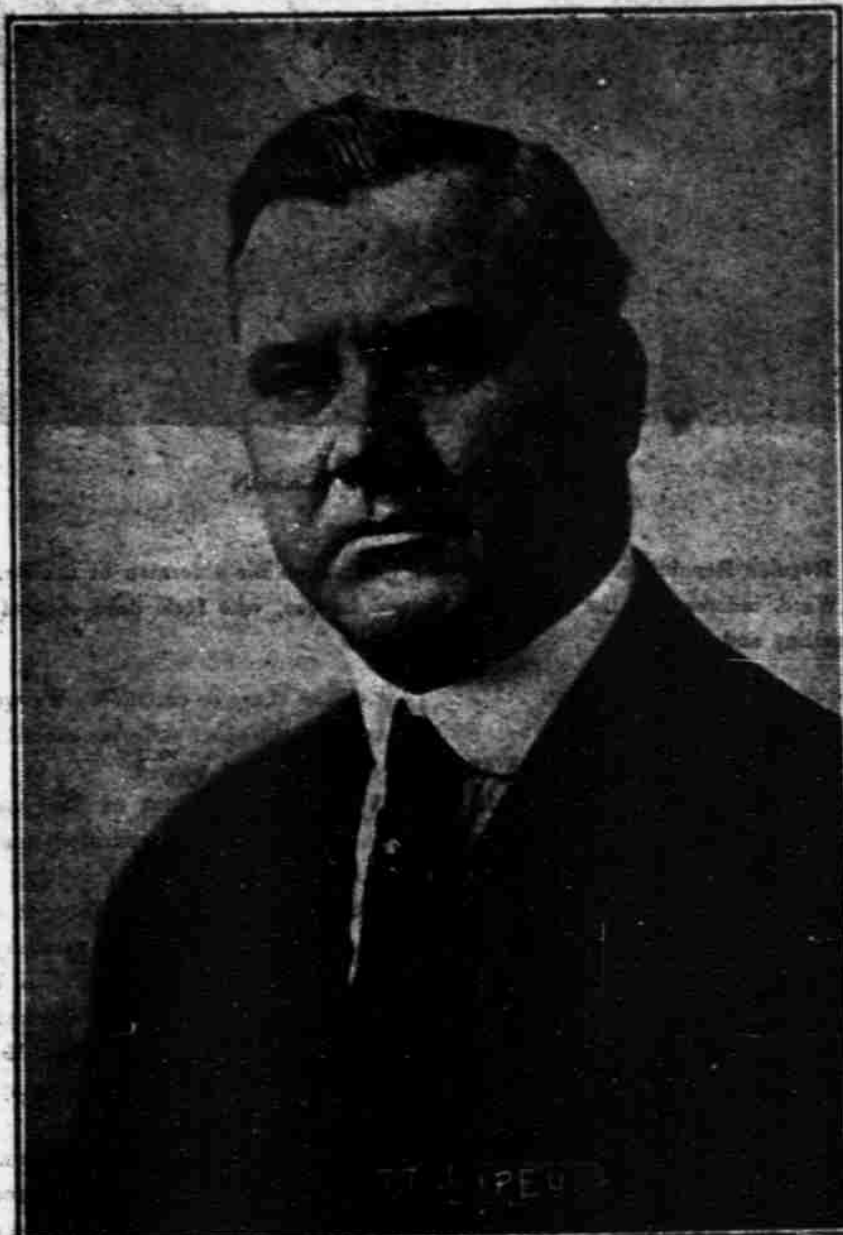

From 1906 to 1910 Mr. Guernsey served as clerk of the Probate Court of Cook County, completely reorganizing that office, wiping out abuses of many years standing, and putting it upon a basis of high business efficiency.

He is now a Representative in the Fiftieth General Assembly, which adjourned last June, having been elected in November, 1916, to represent the Fifth Senatorial District, which includes a large part of the Seventh Ward. Chief among Mr. Guernsey's legislative activities may be cited the following:

Constitutional Convention: Vigorously supported the resolution for a convention to revise or amend the Illinois State Constitution, which will be voted upon by the people on November 5, 1918, and upon which the women of Illinois are pinning their hope of securing complete suffrage—the right to vote for all offices and upon all questions.

Child Labor Law: Introduced and secured the enactment of the Illinois Child Labor Law.

Automobile Measures: Introduced all of the automobile measures which were

MICHAEL G. WALSH

The popular Deputy Coroner of Cook County and strong Republican candidate for the nomination for alderman of the 30th Ward. Vote for him at the primaries, Tuesday, February 26, and be with a live winner.

Michael G. Walsh, Republican candidate for Alderman of the Thirtieth Ward, was born in 1873, and has resided in the ward all his lifetime. He is now residing with his family at 5258 Emerald avenue. Mr. Walsh has been at all times a staunch supporter of the Republican party and its candidates. In 1900 he was the Republican nominee for Alderman from the ward, and although the ward was then about four-to-one Democratic he made a fast and vigorous campaign, and lost by only fifty-seven votes. In 1901 he was again honored by the Republican voters of the ward and made their nominee for Alderman, and again after a hot campaign was defeated by less than 100 votes. In 1904 he was elected by the Republicans of the Fourth Congressional District (of which the Thirtieth Ward is a part) as their delegate to the Republican National Convention, and had the honor to vote for Theodore Roosevelt for the nomination for President. In 1908 he was again honored by the Republican voters of the Fourth Congressional District as

their candidate for Congress, and although the district was strongly Democratic and the race seemed hopeless, he cast a very large vote and ran several thousand ahead of his ticket. He was elected by the Republicans of the Thirtieth Ward as a delegate to every state convention from 1896 to 1914, and represented the voters of the ward in this capacity in a faithful and efficient manner. He has served the party without compensation of any kind, spending his own time and money in promoting clean Republican politics. In 1906 Mr. Walsh was appointed by the Hon. Peter M. Hoffmann as Deputy Coroner of Cook County, and has held that position up to the present time. Everyone who has had occasion to meet Mr. Walsh in his official capacity can but say that he always assisted the poor and unfortunate, extending a helping hand in their time of sorrow and need.

He asks your support in the primaries on his public and private record. A vote for him at the primaries means that you will have a Republican Alderman at the April election.

enacted during the recent legislative session.

Medical Practice Act: Composed the differences between the various schools of medical practice and treatment for human ills, and drafted a bill satisfactory to most of the groups, and giving a larger measure of protection to the public. All of the recent prosecutions for "quackery" have been under the Guernsey law.

The Liquor Question: Mr. Guernsey's attitude on the liquor question is too well known to need discussion here, and his record in the legislature, where he supported the measures of the Anti-Saloon League, tells its own story, as is evidenced by the following excerpts from a letter under date of June 25, 1917, written by F. Scott McBride, state superintendent: "I am writing you to express my appreciation of your splendid co-operation . . . as opportunity comes to us from time to time we shall gladly show our appreciation of your services rendered by assisting in any way we can."

His platform names everything which could be of the slightest interest or benefit to the voters residing in the Seventh Ward and in all parts of this city.

There is one thing that must be said to his credit, namely, that he has always been friendly disposed toward
